

English Language Flashcard Book

Name: _____

Purpose

This flashcard book is meant to support newly resettled refugees in the United States as well as those assisting in that transition. Learning English is the number one indicator in terms of long-term success post-USA resettlement. The following pages contain useful vocabulary in a flashcard format for ease of use within game, practice, and practical settings. It is hoped that persons assisting with this transition (volunteers, mentors, resettlement agencies) will use this as a resource.

Flashcard Book Structure

This flashcard book is divided into categories of practice. Students should remove and cut pages related to a specific topic being discussed.
