

# In the Home

Write the name of the object under the picture.

bed   table   couch   toilet   stove  
microwave   fridge   sink   lock  
electric outlet   lamp   pot   chair

# Safety in the Home

With a partner, practice calling Emergency Management Services.

1. There is a house on fire across your street.
2. You are on the street and you see a car crash.
3. Someone in your house gets very sick and needs immediate medical attention.
4. You think someone has been in your house while you were out. You notice some items missing.
